

Nomination Form - Youth Activism Grant Award - 2021 A program of Mt. Diablo Peace & Justice Center For the youth of Contra Costa County

Youth Activist Grant Award

We feel that as our students develop their critical thinking skills and independent belief systems, it is important that they know that they can be instruments of change, and find their own avenues for expressing their beliefs. In 2019, we established our Youth Activist Grant Award as a way to recognize young people in our community organizing around peace and justice. **This year**, we want to honor those who have shown an extraordinary commitment to adapting their activism to our current moment.

We are asking the community to nominate a youth organization, an individual, or a group of young people, grades 6-12 in Contra Costa County, who have shown a remarkable dedication to peace work & activism this past year.
